

The Project Safe Neighborhoods plan for the U.S. Attorney's Office for the Northern District of Indiana includes the following elements:

- Provides specialized training to Federal, State and Local law enforcement and Juvenile Justice agencies on illegal gun enforcement and violence issues throughout the Northern District of Indiana.
- PSN funding will be used to improve the criminal information exchange regarding illegal weapons and suspected offenders to State and Local law enforcement agencies in Northern Indiana utilizing specialized computer software.
- The initiation of new Illegal Firearms Enforcement initiatives in the major metropolitan areas of the Northern District of Indiana which include Northwest Indiana, South Bend/St Joseph County, Fort Wayne/Allen County and Lafayette/Tippecanoe County.
- The initiation of a Northwest Indiana Violent Crimes Initiative to share armed gun violence incident and suspect information among 30 plus agencies and their respective jurisdictions in Northwest Indiana.
- The initiation of a Homicide Information Sharing Initiative where law enforcement agencies in Lake County, Indiana share victim and suspect information to assist in solving unsolved homicide cases.
- Working with State and Local law enforcement/Juvenile Justice officials to offer youth engagement programs which will target conflict resolution and anti-violence initiatives.
- Establishing a partnership with Local, State and Federal Probation and Parole Agencies to get the word out to their clients who are prior offenders of the consequences for being in the possession or use of a firearm.
- District Anti-Gun Violence Community Outreach Program which delivers through public information efforts the consequences for committing a crime with a firearm.
